

AARP Foundation Women's Scholarship Program

The AARP Foundation Women's Scholarship Program help low-income women age 50 years and older pay for education, training, and skills upgrades that can lead to better employment and greater financial security for women and their families.

Since 2007, The AARP Foundation Women's Scholarship Program has awarded scholarships ranging from \$500 to \$5000 to more than 800 eligible women –making it possible for them to enter educational programs they may otherwise be unable to afford, and ultimately helping them recover from the recent recession.

The scholarship application period for the 2012-2013 academic year will open on **Wednesday, February 1st, 2012 at 9:00am CST** until Friday March 30, 2012 at 5:00pm CST.
