

# You Can!

## Compare Your Medicare Coverage for Potential Savings and Improved Benefits!

- Open Enrollment is October 15 -December 7 and new plan selections are effective January 1, 2021. Review current coverage, learn about plan benefits, premiums and the Medicare Savings Program which is income based and may pay Medicare premiums, co-payments and Part D costs.
- Medicare beneficiaries will receive an **Annual Notice of Change** from your current provider detailing changes to co-payments, covered services and out of pocket costs that may impact your coverage and your budget. Before choosing a new plan ask your PCP which plans they accept.
- SHINE is offering three virtual webinars “**Open Enrollment 2021**” “**Using the Medicare Planfinder Tool**” and “**Medicare 101**” over ZOOM; dates and times will be posted on Minuteman’s website and COA newsletters.
- SHINE counseling sessions via telephone or ZOOM can be scheduled by contacting your local Council on Aging. Literature will be mailed to the beneficiary’s household prior to speaking with a counselor.
